

Word Wall Week #1

We have started our weekly Word Wall Word work. Each week the children will be introduced to five new word wall words. We will do daily activities to help the children learn these words and be able to demonstrate "instant recall". Developing a basic sight word vocabulary is one important key to becoming a strong reader. I will be sending home this sheet on a weekly basis. Please copy or cut out the words listed below. You may want to copy the words onto recipe cards or small pieces of cardstock. I suggest that you keep the words in a Ziploc bag or punch a hole on each word card and then put them on a ring. Please spend a few minutes each day reviewing these words with your child. I will make suggestions each week of ways to work with words. Enjoy helping your child to read and write these important words. Thank you for your support 😊

This week some of the activities that you can do with your child are:

1. Print each word. Count the letters and print the number beside each word. Do this for all words.
2. **Rainbow** Words: Write each word using a different colour of crayon or felt for each letter.
