

Word Wall Week #10

Please copy and cut out the words listed below. If you do not want to copy the page you can write the words on any paper you may have around the house. Remember to keep each week words in a Ziploc baggie and add the next week words and then you are able to review the old words as well. Some people prefer to punch a hole on each word card and then put them on a ring to review as well. Enjoy helping your child to read and write these important words. Thank you for your continued support😊

This week some of the activities that you can do with your child are:

1. Read your words. Say your words in silly voices (baby bear, papa bear....).
2. Air Words: Use your finger to write each word in the air. Have an adult do the same. See if you can figure out their word by spelling it and saying it back to them!
3. Where are the vowels?: Write your words but draw a line instead of putting the vowel in that space. (a, e, i, o, u)
e.g. black= bl_ck

* all	of

I'm	Remember you can go back to previous weeks activities and use them as well if you want to 😊
