

Word Wall Week #12

Please copy and cut out the words listed below. If you do not want to copy the page you can write the words on any paper you may have around the house. Remember to keep each week words in a Ziploc baggie and add the next week words and then you are able to review the old words as well. Some people prefer to punch a hole on each word card and then put them on a ring to review as well. Enjoy helping your child to read and write these important words. Thank you for your continued support😊

This week some of the activities that you can do with your child are:

1. Read your words.
2. Back Words: Use your finger to spell each word on someone's back. Can they tell you the word? Have an adult or someone write your words on your back. Can you spell the word and say the word back to them?
3. Computer Fun: Use your computer (or ipad....) to type your words. Use different fonts and make it look really fun! If you want to print it out and bring it to school you can or you can type your words and email it to me at: jrandle@rockyview.ab.ca
