

## Word Wall Week #14

Please copy and cut out the words listed below. If you do not want to copy the page you can write the words on any paper you may have around the house. Remember to keep each week words in a Ziploc baggie and add the next week words and then you are able to review the old words as well. Some people prefer to punch a hole on each word card and then put them on a ring to review as well. Enjoy helping your child to read and write these important words. Thank you for your continued support 😊

This week some of the activities that you can do with your child are:

1. Read your words. Read your words out loud and clap the syllables. Put your words in two groups with the number of syllables.
2. Sign Words: Use the sign language alphabet to sign your words to an adult. A chart for Sign Language Alphabet is on the next page. You can also learn more about Sign Language if you go on the internet with your parents to: <http://www.youtube.com/watch?v=KQw5z3NP2GY> (you can copy and paste this onto your computer.) Come back to school and show a friend how to sign the alphabet or your name 😊
3. Alphabetical order- Write these 5 words and 5 more from your Ziploc bag and put them in alphabetical order.

* three	today
after	his
school	Remember you can go back to previous weeks activities and use them as well if you want to 😊
