

## Word Wall Week #9

Please copy and cut out the words listed below. If you do not want to copy the page you can write the words on any paper you may have around the house. Remember to keep each week words in a Ziploc baggie and add the next week words and then you are able to review the old words as well. Some people prefer to punch a hole on each word card and then put them on a ring to review as well. Enjoy helping your child to read and write these important words. Thank you for your continued support😊

This week some of the activities that you can do with your child are:

1. Read your words. Cheer your words like a cheerleader (directions are on [www #2](#)).
2. Other handed: If you are right handed, write your words with your left hand. If you are left handed, write with your right!
3. Word pyramids: Write your words adding one letter each time. The result will be a pyramid or Christmas tree shape of words!
